## Cover Memo

---

**File #:** ACT 20-047, **Version:** 1

---

**DATE:** July 13, 2020

**TO:** Council Sustainability Committee

**FROM:** Director of Public Works

**SUBJECT**

Review and Comment on a Potential Rate Increase for Electricity from East Bay Community Energy and Provide Direction to Staff

**RECOMMENDATION**

That the Council Sustainability Committee reviews and comments on this report and provides direction to staff.

**SUMMARY**

Most Hayward customers currently receive Brilliant 100 (100% carbon free electricity) from East Bay Community Energy (EBCE). EBCE will most likely phase out Brilliant 100 by the end of calendar year 2021. A formal decision by the EBCE Board of Directors is expected this fall. This report presents options and the impacts of each for Council to consider, including changing Hayward's default electricity product effective January 1, 2021. In addition, most of Hayward's municipal facilities receive Brilliant 100. This report also presents the fiscal impacts of changing the municipal facilities to another electricity product. This same report will be presented to Council on July 14, 2020.
