Adopt a Resolution Authorizing the City Manager to Negotiate and Execute a Professional Services Agreement with Gray-Bowen-Scott for Consulting Services to Support SR-92/Whitesell Interchange - Project Initiation Document, Project No. 05334, in an Amount Not-To-Exceed \$171,300

RECOMMENDATION

That Council adopts a resolution (Attachment II) authorizing the City Manager to negotiate and execute a professional services agreement (PSA) with Gray-Bowen-Scott (GBS) for consulting services to support SR-92/Whitesell Interchange - Project Initiation Document, Project No. 05334 in an amount not-to-exceed \$171,300.

SUMMARY

On July 26, 2018, the Alameda County Transportation Commission (ACTC) approved \$440,000 in Measure BB funding to advance the Planning and Scoping Phase of the SR-92 Clawiter-Whitesell Interchange Upgrade Project. The Project proposes to extend Whitesell Street over SR-92 to create a new SR-92/Whitesell diamond interchange that would terminate and intersect at Clawiter Road. Due to various staff vacancies in the Transportation Division, staff recommends entering into a PSA with GBS to assist with managing the project. GBS has extensive experience in providing professional services for transportation engineering services in the Bay Area and will provide immediate project management assistance.
