Dr. Cole-Bloom announced the termination of all fiscal year 2025 – 2026 General Fund contracts as of December 15, 2025. Recipients will receive half of their award and will not be required to submit the mid-year or year-end reports.

Ms. Hwang presented an overview of the Agency Stakeholder Survey, which was conducted to better understand how the termination of General Fund contracts and the pause in the Community Agency Funding process are impacting agencies, as well as gathering feedback on the types of non-monetary support the City and the Community Services Commission may provide.

Public Comments on Item:

- Socorro Moreland, Covenant House California, provided background information and a summary regarding the small community of individuals in Hayward who will be residing in the proposed young adult shelter.
